LENTEN GATHERINGS

Last autumn we had groups reflecting on the future of our church - many wanted to continue

SO WE SUGGEST YOU INVITE A SMALL GATHERING IN YOUR HOME REGULARLY DURING LENT

To share experience of trying to live as a Christian/Catholic in the world today

Some suggestions for focus/topics:

A published 2019 Lent programme - Readings/DVDs (spiritual, faith issues...)

Scripture Reading (Lectio Divina) - Meditation - Prayer Group

Catholic teaching - Ethical issues - Church Social teaching – Living as Christian in our World Today

We can help you choose a focus and find inspiring & easily accessible material -

... (do tell us later how you get on)

Anyone who cannot find a group please ask Fr Peter
